Heartfelt gratitude to the school management for all the support, encouragement and leadership provided in all our efforts at fulfilling our mission.

All this has been possible of a very supportive management who motivates us to achieve higher academic standards and have continued to encourage the future development of the school and guide its destiny. Like all great institutions we have our dreams, ambitions and aspirations and to convert these into tangible realities. For this we know, we all have to work very hard. The school motto: "ज्ञानपं रमध्येयम्" "**KNOWLEDGE IS POWER**" is our guiding philosophy which propels us towards a meaningful future.

Thank You,
