And our beloved parents of HAL New Public school.

HAL New Public School was established in the year 2011 with 68 students in LKG and 3 Staff members. In a span of eight years the school has come a long way. Today we have 687 students and 37 teaching and non-teaching staff members with classes up to VII. It is our endeavor to make each and every student to succeed by offering our students all possible opportunities to become confident, thoughtful young people. Our dedicated staff create an environment that is intimate, friendly and attuned to every specific educational needs of the child.

HAL New Public School has made tremendous progress over the years. In addition to improving the academic standards of our students, we provide ample opportunities to them to participate in various co-curricular activities. Games and Sports is an Integral part of our curriculum.

Students are encouraged to participate in various Olympiad exams & GK exams, to enjoy learning through nature students are taken for field trip.

### **Field Trip:**

To bridge the gap between education and hands on experience the school organizes a field trip for students every year.

Students of classes IV to VII were taken to Unibic biscuit factory and Kanva Resort, Classes I to III to Ramee's Resort & UKG to Solace Resort.

## **Sports:**

"All work & No Play makes a Child Dull ". Hence, Games and Sports is an Integral part of our curriculum. Students are being trained in various outdoor activities like football, throwball, basketball, kho-kho, track events etc.

Indoor games like Table tennis, chess, carroms are also of great interest to students. Students participate in some of the inter school throwball tournament to develop their competitive spirit & sportsmanship.

## **Assembly Programme:**

Assembly programmes are held to celebrate various national, religious, social awareness and programmes on environment are organized during morning assembly. To develop scientific thinking, we organize Science Exhibition every year.

Yoga and meditation is an integral part of the school Assembly.

## **GK Exam :**

Students participate in National Talent Search Examination. Kum. Manya Kumari of class IV has secured distinction and stands at the 42<sup>nd</sup> Rank in All India GK Competition conducted by the **Human Resource development**. Some of our students of classes III to VI have been placed in distinction.

## **Olympiad Exam:**

Students have also participated and fared well in the Maths and Science Olympiad.

## **Parent Teacher Meeting:**

We firmly believe that positive communication between parents and teachers goes a long way in improving efficiency of education. We ensure active participation of parents in the teaching learning process. PTM is held after periodic tests/ Term exam. In case of any particular situation arising, parents can meet teachers after taking prior appointment.

All this has been possible of a very supportive management who motivates us to achieve higher academic standards and have continued to encourage the future development of the school and guide its destiny.

Like all great institutions we have our dreams, ambitions and aspirations and to convert these into tangible realities. For this we know, we all have to work very hard.

The school motto: "ज्ञानं परमं ध्येयम्" "*KNOWLEDGE IS POWER*" is our guiding philosophy which propels us towards a meaningful future.

## **Co-curricular Activities:**

All throughout the academic session various co curricular activities are organised for students on World Environment Day, Art (Worli Art, Mandala Art, Origami etc) Music & Dance competition, Public Speaking etc was held for the students.

My team of dedicated and committed teachers have put in a lot of effort to prepare the students to present this cultural event.

Thank You,  
Vice Principal.
